

This has been a busy and exciting week in the “lame duck” session of the House and Senate. Things have moved quickly, and it has been difficult to follow the movement of amendments and legislation. Education has been an active area (although guns, abortion, and other issues have been most heated and active). Lawmakers are set to return to work Dec. 27 and possibly the 28th to override the governor's vetoes and conduct other business. He has already vetoed gun legislation shifting the burden of proof in self-defense cases.

Happy Holidays!
